To Whom It May Concern:

For nearly a year now, our company has partnered with Fathom SEO on a Search Engine Optimization campaign. We've been extremely pleased with our organic SEO rankings and improved online visibility. In fact, our website is currently #5 for the competitive key phrase "magic shows."

Your knowledgeable and professional staff is always willing to answer any questions we might have. Since working with your team, our website's content reads more clearly, and we've been successful in targeted geo-specific keywords into our text.

Philip & Henry U.S.A Inc. is impressed with the efficiency and dedication your staff continues to show. We would definitely recommend your SEO firm to other companies considering Internet marketing to increase rankings and connect with potential customers.

Sincerely,

Philip Murad
